"Tonya Skinner is a wonderful, dynamic, and full of life presenter. She is sure to bring a great touch to any professional development conference. You will find no other keynote easier to work with in the industry."

Jason Hendrickson
Indiana Business Education Association-Executive Director
jhendrickson@danville.k12.in.us

"After years of using Tonya Skinner's materials, Georgia business teachers were excited and delighted to meet her in person at our 2014 GBEA Conference. They were not disappointed! Tonya's workshops and keynote were responsible for making our conference the best one ever. Her contributions left us with just one problem...How do we top that next year?!? She will be quite an act to follow."

Marilynn Skinner
Georgia Business Education Association-President
